Washington, DC
December 8, 2017

Mida Associates is proud to announce their recent re-certification as an LGBT Business Enterprise (LGBTBE®) through the National LGBT Chamber of Commerce (NGLCC) Supplier Diversity Initiative. The NGLCC is the nation's exclusive certifying body for LGBT owned and operated businesses.

“We are very proud to have Mida Associates in the NGLCC network of LGBT Business Enterprises. Their passion for advocacy and for strengthening the efficacy of the organizations they support is visible in every element of their work. NGLCC proudly counts Mida Associates among the suppliers we utilize to elevate our mission of LGBT economic inclusion and opportunity, and we are pleased so many of our colleagues in the diversity, advocacy, and social justice spaces are working with them, as well,” said NGLCC Co-Founder & President Justin Nelson.

With this official certification, the NGLCC, its organizational allies, and corporate partners now nationally recognize Mida Associates as a diverse supplier. The firm joins the growing ranks of over 1000 certified LGBTBEs.

Mida Associates is now eligible to participate in the NGLCC's corporate partners' supplier diversity programs, can take advantage of the vast educational opportunities promoted by the NGLCC, and can work to foster business to business relationships with other LGBTBEs.
